

Karsiyaka Village Homes

This atmospheric village complex is in an elevated position, situated on the north coast of Cyprus, to west of the main town Kyrenia. It is close to several good beaches and is well served by shops, restaurants and other attractions. This unique site offers a mixture of villa and townhouse types with a communal pool and gymnasium set overlooking the sea. There are fantastic views from all properties and each has a roof terrace to take in the panoramic view. There are two types of property available 2 bedroom Townhouses and 3 Bedroom Villas.

Townhouse.
